THIS MONTH'S COVER

Our December Bugle cover shows Santa relaxing on Torii Beach taking a little vacation before his hectic Christmas season. Torii beach is the Army's best kept secret with four rustic beach cabins for your holiday vacation needs (see page 27 for more information). If you are looking for a special location for your unit Christmas party the Torii beach is a great alternate from the traditional club setting. We can provide all you require from just a space on the beach to a full catered party. For the diver on your Christmas list the best place to shop is the Scuba locker; professional staff will help you find the perfect gift (remember to shop early Santa has been known to pick up all his scuba gear just before he returns to his workshop). To reserve a cabin or beach pavilion call 644-4698 or Scuba Locker 644-4289. Have a great holiday from the entire Okinawa MWR Staff.

TOMODACHI DAYS

Tomodachi Days in December are as follows:

- 8 December - Friday
- 15 December - Friday
- 22 December - Friday
- 29 December - Friday

Your Japanese guests (up to three) can play with you for the low fee of ¥4,000 plus cart. This is a significant savings over the regular rate of ¥10,000. Check with starters for available tee times.

ATTENTION!

NOW OPEN

- Holes #11 and #12 and the new greens on holes 1 and 2 are now open.
- All other holes (except #5) are playing at their regular length. Course par is now 70.
- The 5th hole is playing as a par 3 until the scheduled opening in June 2007.

Thanks for your patience and understanding during this project!

The Proper Way to Repair a Ball Mark

- 1 Use a prolonged ball mark repair tool (pencil-style), hole, key or so.
- 2 Insert at the edge of the mark.
- 3 Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.
- 4 Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.

Always repair ball marks on the green. A ball mark that is repaired correctly heals in a few days. If it is not repaired, or is repaired incorrectly it will be visible for weeks.
